GAME FEATURES

LOOT BAGS COLLECTORS

Every heist starts with raw cash! Cash drops land on the reels and fly into Loot Bags above. Any bag that collects cash has a chance to burst at the end of the spin, triggering a Jackpot Reveal.

PICK-ME JACKPOT

Crack the case. A triggered Loot Bag throws you into a luxury penthouse as a chrome suitcase bursts open, revealing 12 glowing diamonds. Pick to uncover Jackpot Tiers and secure your win before the heat catches up.

DOUBLE-UP / WANTED-STAR METER

When 4 of the 5 H-E-I-S-T letters land, the Wanted-Star Meter lights up – police stars fill, sirens flare, and tension spikes with every near miss. Push your luck until the final letter hits and the Grand Heist Vault Bonus explodes into action.
